

Private Lesson Program

Azle ISD Bands

It is the goal of the Azle Independent School District Fine Arts Department to provide the very best learning experiences for each band student. One of these learning experiences is the opportunity for a student to study privately with a professional instrumentalist. The Private Lesson Program serves a twofold purpose. It allows interested students to receive additional individual help in their musical training. Secondly, this individual attention generally improves the performance level of the individual student and also has a positive effect on the band in which the student participates.

General Information

1. Private teachers are selected by the Azle Band Directors and Private lessons are available for all band students.
2. Private lessons are optional.
3. **Private lesson Cost:** (Pre-paid by the month)
\$16 per lesson with a degreed teacher
(Lessons **may be shared** to reduce the cost by half)
4. Students are taught at Azle High School or their home campus once per week during their band period, or before/after school. **If the lesson happens outside of the school day, a parent must be present during the lesson.**
5. If a student is absent from school or in school but cannot attend the lesson, prior notification must be given in order for a make-up lesson to be scheduled.
6. If the student is in school and misses a lesson without prior notification to the teacher, the student will be financially accountable for that lesson.
7. **Financial aid** that pays for part of the lesson price is available to some students. Financial aid will be based on the need of the particular instrument importance and the student's free or reduced lunch status.
8. Students who receive Financial Aid will be expected to participate in band fund raisers to help raise money for their lessons (that's where the money comes from!!).
9. Billing statements will be sent directly from the Private Teacher. Payments will be made directly to the Private Teacher.
